

TO HONORABLE T. H. HUMPHREYES,  
State Engineer,  
Capitol Building  
Salt Lake City, Utah

Dear Sir:

We, the undersigned, being residents, citizens and taxpayers of Fruitland Precinct, Duchesne County, State of Utah, set forth and say:

That we are 25% or more of the joint owners of that certain irrigation ditch in Fruitland Precinct, Duchesne County, State of Utah, which is called the Romanzo Fausett Ditch.

That the owners of said irrigation ditch are unable to agree as to the division and distribution of water received through their ditch.

That there is immediate need of a certain headgate to be constructed, that the water in said ditch may be evenly, proportionately and properly divided. That the undersigned owners in said ditch each agree to stand their proportionate share of the constructing and building of said ditch, but they think that the specifications and plans for said headgate should be given by the State Engineer of the State of Utah.

Now, therefore, we, the undersigned, being 25% or more, of the owners of said ditch, hereby apply to the Honorable State Engineer of the State of Utah, Salt Lake City, Utah, and ask that he take charge of said ditch for the purpose of constructing a proper headgate, and for the purpose of making a just division and distribution of the water from the same to the parties entitled to the use thereof.

DATED, AND SIGNED, at Fruitland, Utah, this 23 day of ~~April~~, A. D. 1934.

*May*

*Also make measurement of flow of water in headgate of Smith-Butter ditch. and shut of water being used on Paul Rancher which have no or later filings.*
